

## Feel Safe With Chase! PAW Patrol Licensed Baby Monitor From Ematic

Chase is on the case! With the PAW Patrol HD Wi-Fi Camera Monitor, you can now feel the ultimate sense of security for your children and your home. This cute ultra HD PAW Patrol themed camera allows you to keep an eye on your little one through a hidden camera located on the collar of Chase, one of the lead characters from the popular Nickelodeon preschool series, PAW Patrol.

With a 1080p HD camera that records crystal clear images and video, the PAW Patrol HD Wi-Fi Camera also features infrared lights and night vision so you can see up to 20 feet in a dark room. Plus, the 120 degree wide-angle camera with digital zoom lets you capture every moment – even in large spaces.

The connected Ematic Camera mobile app allows you to remotely access the camera through your smartphone or tablet, so you can see the action straight from your favorite device. With the two-way audio system, you can actually communicate with your home anytime, anywhere. Additionally, the PAW Patrol camera allows you to take photos and videos to capture special moments and share them with family and friends.

The PAW Patrol HD Wi-Fi Camera Monitor from Ematic is available now on Walmart for the suggested retail price of \$29.99. To learn more about Ematic please visit [ematic.us](http://ematic.us).
